

Join the Board

Do you have an interest in agriculture or are currently involved in agriculture in some aspect and have a desire to make a difference in keeping our agriculture alive and progressive? We currently have positions open and are always looking for new innovative ideas to share. Think about joining the Ag Expo as a board member.

Ag Expo board members serve for a few years and sometimes find that they have other opportunities that come up for them and desire to pursue the other opportunities. We the board encourage growth for our members and at times that means that they need to move on, much to our sadness.

This is an opportunity to join a voting- working board comprised of a president, vice-president, secretary, treasurer and members at large. We also have openings for non-voting advisory board member positions.

We invite you to come to a meeting, no commitment is required until you're ready to join. We are willing to mentor you and suggest that you participate in at least one Ag Expo event so that you know what it entails from pre to post event. We also have a horse tack and equipment sale the first weekend in May and a Ranch Rodeo at the end of June that you would be encouraged to participate in. Once you feel that you want to make that commitment, the existing board will entertain your intent to join as a board member and vote you in. We encourage all ages of adults to think about becoming a board member. There are many educational opportunities as well as many activities for the board members to be part of.

If you have a desire to join the Ag Expo board, please call 970-529-3486, or any of the members listed on this website under "Board Members".
