

YOUTH EVENTS SPONSORSHIPS

Ag Expo is focusing on our youth. We have several events that our youth can participate in. They are the future of agriculture. Providing educational experiences to them is an honor and a responsibility. If you decide to partner with our organization, your funds will help us provide ribbons, buckles and our logo embroidered on youth jackets.

BEEF SHOW

In 2019 we had eight exhibitors, three were in their first year of showing beef, two were in their second year and three were more advanced. Seven steers and six heifers were shown. Awards were given for Champion showman, Reserve Champion Showman, Champion Prospect Market Steer and Reserve Champion as well as Champion Breeding Beef and Reserve Champion. Awards include buckles and ribbons.

For the youth that hasn't had experience with grooming and animal selection, a workshop is available for them.

The suggested amount is \$1500 for this event.

AG-CEPTIONAL RODEO

Ag-CEPTIONAL Rodeo started 3 years ago. It is an event for all kids with disabilities from learning problems to issues with mobility. A horse drawn wagon picks the kids up at the buses, they then ride to an inside arena. We provide a 2-hour session where the kids play in the horse barn arena: riding on bouncing horses, using stick ponies to ride around barrels, riding a bouncy bull out of a chute, roping a plastic cow head, gunny sack races, and for those with limited mobility, getting a ride around barrels in a sled. These are some of the activities they choose to participate in. They can also go to the Children's Barn to visit with a variety of animals, large and small. Lunch is provided to the kids as well as a participation gift for each child.

The suggested amount is \$500 for this event.

4-H AND FFA LIVESTOCK JUDGING

In this group youth learn how to judge beef, sheep, and swine in both breeding and market classes. They can participate in horse judging in performance and halter classes. There is floriculture, veterinary science, ag mechanics, farm business management, and milk judging contests. This judging includes Novice, Junior and Senior divisions.

The suggested amount is \$400 for this event.

UTE MOUNTAIN HIGH SCHOOL RODEO TEAM

This team will oversee the cafeteria for the 3-day Ag Expo event, as a fundraiser for their group.

The suggested amount is \$500 for this event.
